ROBOTIC SCOPE REPAIR & EXCHANGE PROGRAM

Savings!
Quality!
Warranty!

Robotic surgical technologies deliver advanced and realistic motion for the surgeon, but may pose unrealistic challenges when it comes to the repair budget with repairs often reaching \$8,000- \$12,000 per repair! Contact Capital Medical Resources to find out how you can save as much as 50% over OEM prices while maintaining the highest quality of repair with warranties that meet or exceed the manufacturer!

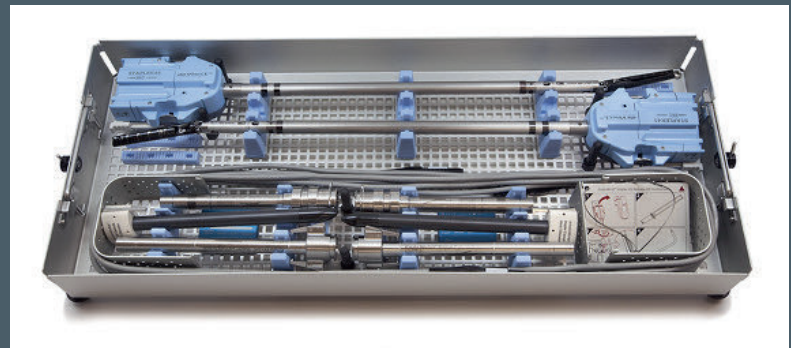

8.5mm and 12mm diameter repairs

Quality you can Trust!

- Turnaround 1-10 days from approval
- Exchanges 24-48 hours
- Repairs Validated on Intuitive Surgical da Vinci Console
- 120-day warranty covering materials and workmanship
- 95%+ Repair Rate
- Free Estimates

Paying too much for robotic scope repairs and exchanges? Call Capital Medical Resources!

Also ask about repairs on da Vinci Instruments, Sterilization Trays and Fiber Optic Light Cords!
